

St. Paul's Episcopal Church Endowment
Grant Request Form

2020

Endowment Fund from which you are requesting grant:

- General Fund** **(approximately \$1,500 available)**
Distributions from this fund shall not be used to meet yearly operating expenses of the parish, but instead shall be used to fulfill purposes such as: outreach ministries and grants, seed money for new ministries and special one-time projects, and enhancement of the physical plant and grounds of the parish.
- Grounds Beautification Fund** **(approximately \$950 available)**
The purpose of this fund is to support the ongoing beautification of St. Paul's campus through capital improvements to the grounds. Distributions shall be used for the design and installation of long-lived trees and plants, and permanent elements such as retaining walls, walkways, garden structures and lighting. The intent of this fund is exclusive to grounds beautification versus "business as usual" grounds maintenance and repairs, such as corrective actions to the retention pond, corrective drainage actions, re-paving the parking lot, repairing existing sidewalks, removing existing landscape elements, etc. This fund does not duplicate the broader scope of the last example given under the "General Fund" above.
- Outreach Fund** **(approximately \$750 available)**
The purpose of this fund is to support outreach. Distributions shall be used to supplement the parish's outreach budget, providing support to St. Paul's outreach ministries and to charitable organizations outside of the parish. These funds are not to take the place of operating funds designated to outreach.
