## Mama Moses The Underground Railroad | A St. Nicholas Ministry Partner

Mama Moses The Underground Railroad is a 501(c)(3) nonprofit organization that provides temporary, emergency housing and food for Harnett County families experiencing homelessness. Additionally, we work to stop evictions so that we can keep our clients in their homes, avoiding lengthy and costly hotel stays. During the winter, we manage a senior citizens fund to keep utilities paid.

At Christmas, we host one of the area's largest toy giveaways to families in need. We maintain four storage units for clothing, household items, baby supplies, and camping supplies for persons living unsheltered throughout Harnett County. We have been able to bless several families with used vehicles that were donated, and we maintain an emergency food bank at our headquarters in Lillington, NC.MMUR operates on 100% privately donated funds/goods and local volunteers. This allows quick action to make immediate improvement in the lives of our neighbors.

St. Paul's provided Mama Moses with blankets, shave kits, toiletries, backpacks, space heaters, tents, and toys. These items were purchased though the year at discounts with money donated to St. Nicholas Ministry from parishioners.
