

"I'm very thankful for this program to allow me to give gifts to my kids that I was never able to do. And I'm just very thankful that I have been presented this opportunity to do that for them this Christmas. Thank you!"

"I'd just like to thank everyone who contributed to this. This is such a great experience. Personally, I've been incarcerated for the past five years. Christmas...I haven't been a part of. To be able to give my kids, you know, anything for Christmas is awesome. I'm in transition, trying to change my life, impacting my kids' life and my family's"

"We have a lot of gratitude because a lot of us, we've not been able to supply our children with gifts. A situation like this is very helpful. We appreciate all y'all guys for y'all's support and y'all's help. Thank you very much!"
