

Fulfilling our Faith

St. Paul's Endowment

We are indebted to the past and to those who have preceded us. We are committed to those who follow. Every member of St. Paul's Episcopal Church is encouraged to give – by bequest, through various forms of estate planning, or by another form of planned gift – a “living legacy” that will provide for the church's ministry and mission for years to come. The gift of such a living legacy is an acknowledgment by the donor that St. Paul's has been a significant part of his or her spiritual life and that the donor has decided to make a similar impact on the lives of future generations.

These gifts can be large or small and can be made through a simple provision in a will or in numerous other ways. Such stewardship is a way to respond thankfully to God for our diverse and many resources.

Endowment Options

General Endowment - Supports St. Paul's mission and ministries beyond the operating budget.

Outreach Subfund - Supplements St. Paul's outreach budget, supporting St. Paul's outreach ministries and charitable organizations outside the parish.

Grounds Beautification Subfund - Supports ongoing beautification of St. Paul's campus through capital improvements to the grounds.

Kid's Club Subfund - Enhances the nursery's ability to serve the St. Paul's community and upgrade the nursery environment to attract new members to the church.

Fulfill Your Faith by Leaving a Living Legacy to

St. Paul's Endowment

Thank you for your interest in St. Paul's Endowment. Please complete the following and place in the offering plate or return to the church office. A member of the Endowment Board will follow up with you.

I have already included the Endowment in my estate plans.

I am interested in making a donation to St. Paul's Endowment or one of its Subfunds.

I am interest in making a planned gift to St. Paul's Endowment via the following method:

A bequest in a will

A gift of life insurance

Beneficiary of an investment account

A trust (e.g., a charitable remainder trust)

I would like information about planned gift options.
